MESSAGE FROM THE PRESIDENT

Dear Members,

As this is my first At Ease report since returning as President of the Bentleigh RSL Sub-Branch, it provides a great opportunity to reconnect with our members and friends and provide an update on what has been happening across our Sub-Branch.

Over the past couple of years, I had the privilege of serving on the RSL Victoria State Executive, during which time Mark Schröffel was elected President of Bentleigh RSL and Simon Richards served as Vice President. Since then, things have somewhat reversed. Mark has been elected State President of RSL Victoria, and I have returned as President of Bentleigh RSL.

I would particularly like to thank Simon Richards, who stepped up from Vice President to Acting President during this period. Simon's organised approach was certainly evident when I returned, having completely reorganised the President's computer system and filing – something I have very much appreciated!

Among many other responsibilities, Simon worked alongside Mark and our Executive Committee during one of the most significant changes to our organisation in recent years – the decision to lease the Cheltenham Campus to the Melbourne Racing Club (MRC).

When MRC initially approached Bentleigh RSL with this proposal, it was not something we had previously contemplated. In early 2025, our CEO, Glenn Sanders, together with the Executive Committee and Mark as Sub-Branch President, commenced negotiations to ensure that the best interests of Bentleigh RSL, our Cheltenham members and the broader community remained at the forefront of every decision.

When Bentleigh RSL took over the Cheltenham-Moorabbin RSL in 2015, at the request of RSL Victoria, the objective was to save the Sub-Branch from significant financial and operational difficulties. Over the following 11 years, we believe we fulfilled that obligation and provided stability and support to the Cheltenham community.

However, we also recognised that, as an RSL, there were limitations on what we could do commercially to provide the type of venue, services and facilities our members and community increasingly expected. The partnership with MRC provides an opportunity for the Cheltenham Campus to continue as a sustainable and successful venue while allowing Bentleigh RSL to maintain its focus on our core purpose.

Importantly, veteran services, welfare and commemorations will continue through Bentleigh RSL. While some aspects may be delivered differently, our commitment to veterans and the Cheltenham community remains unchanged. MRC are responsible for the commercial operations of the Cheltenham venue, including gaming, bar and catering – areas in which they have considerable experience through Pegasus Leisure Group. They also offer Pegasus Membership, which provides members with benefits across their network of venues.

Another significant change, as mentioned earlier, has been Mark Schröffel's election as State President of RSL Victoria. Mark brings considerable experience in strategy, leadership and corporate governance to the role, and we are already seeing positive ideas and changes emerging at State Branch.

Victorian Sub-Branches are also currently working through the RSL Victoria Transformation Project, which is aimed at ensuring the RSL continues to evolve to meet both today's expectations and the future requirements of our organisation as Victoria's leading veteran representative body.

Another noticeable change this year has been the significant increase in both online and face-to-face training programs. The responsibilities placed upon committee members and volunteers today are considerable, and it is important that everyone has access to accurate information, appropriate education and, where required, formal certification. These education programs also extend to our employees, who regularly attend training sessions and professional development programs.

Despite much of the doom and gloom we seem to read and hear about, I am pleased to say that Bentleigh RSL continues to perform very well. Perhaps the cold weather has helped!

I regularly see members and guests sitting around the fires, enjoying a chat and catching up with friends – and our Winter Warmers on the menu certainly seem to be hitting the spot.

One of our Committee members, Andrew Coffey, recently started the Bentleigh RSL Community Choir. I must admit, when I first heard the idea, I had my doubts. Well, how wrong was I! Andrew tells me he initially catered for around eight people to attend, only to have approximately 30 people arrive looking for seats. The next gathering is actually happening tonight as I type this report, and judging by the enthusiasm from the first session, it should be another terrific evening. It is wonderful to see so many people coming together, having some fun and getting involved.

The recent CCV Ball, RSL Veterans Ball and RSL Victoria AGM also saw plenty of formal dresses and dinner suits come out of mothballs as our volunteers represented Bentleigh RSL at these important events.

Finally, I would like to remind everyone that our committee members and volunteers all have lives outside of the RSL. While technology means an email or text message can be sent at any hour of the day or night, it does not necessarily mean the person receiving it is sitting beside their computer or phone waiting to respond. We appreciate your patience while we work through the many emails and messages we receive – including the ever-growing number of scams – to get to your genuine enquiries and concerns.

Sometimes a request also needs to be referred to the appropriate person, discussed by a particular committee or formally voted upon. All of this can take a little time.

As much as I try to make myself available, there are also times when I am quite literally underwater – diving is one of my passions, and unfortunately phones and computers still don't work particularly well down there!

Thank you for your continued support of Bentleigh RSL. I look forward to catching up with many of you around the Club over the coming months.

Cheers,

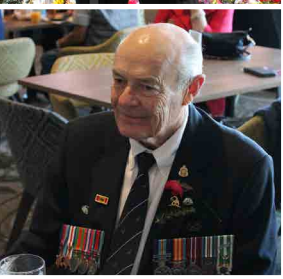

Warrick K.D. McDonald
President
Bentleigh RSL

August 2026

ANZAC DAY 2026

ANZAC Day is a time to reflect, remember, and honour the sacrifices made by so many.

It was wonderful to see so many members of our local community, both young and old, come together to attend the commemorative services at the Bentleigh and Cheltenham RSLs. Their strong attendance is a reminder that the ANZAC spirit continues to unite generations and ensure the legacy of those who served is never forgotten.

Thanks to the incredible generosity of our community, the 2026 ANZAC Appeal raised an outstanding $56,736.00.

This remarkable achievement would not have been possible without the dedication of our volunteers, who generously gave their time and effort throughout the appeal. Your commitment truly makes a difference.

Funds raised through the ANZAC Appeal enable us to continue the vital work we do in supporting veterans, serving members, and their families across our local community.

To everyone who donated, volunteered, or supported the appeal in any way—thank you. Your contribution helps ensure we can continue to provide care, assistance, and services to those who have served our country.

ANZAC APPEAL
LEST WE FORGET

ANNUAL VETERAN'S LUNCHEON

Veterans of all ages dressed in their finest, proudly pinned on their medals, and came together to enjoy an afternoon of camaraderie, friendship, great food, and entertainment.

This year's special guest was the one and only Kevin Sheedy. A veteran himself, Kevin shared stories about the AFL ANZAC Day match between Collingwood and Essendon. Initiated by Kevin in 1995, the annual match was established to honour the ANZACs and has since become one of Australia's most significant football traditions.

Each April, in the lead-up to ANZAC Day, Bentleigh RSL hosts its annual Veterans Luncheon for service members. Having been held for more than 55 years, the luncheon has become a cherished tradition, bringing veterans together to reconnect, share memories, and celebrate the enduring spirit of service and mateship.

It is an event our members look forward to year after year, and one that continues to be a wonderful celebration of the strong bonds shared by our veteran community.

Thank You

TERRY HOGAN

After 10 years of dedicated service, we farewell and thank Terry Hogan, who has recently retired from his volunteer role as a Compensation Advocate with Bentleigh RSL.

During his time with us, Terry has contributed an incredible 1,800 volunteer hours, providing invaluable support and assistance to veterans within our community. Terry has helped veterans navigate the often complex world of DVA claims, assisting them to understand the process and lodge their claims.

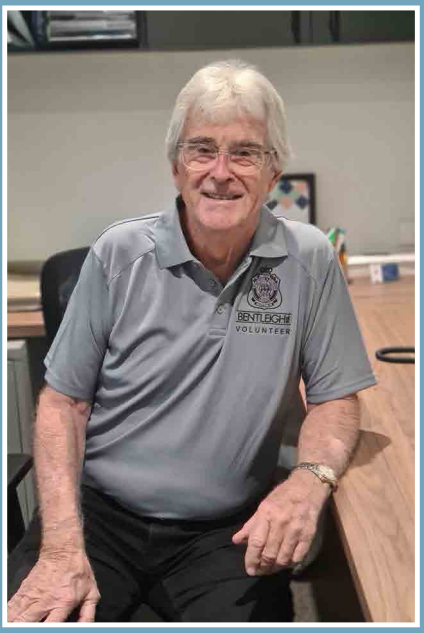

Terry has worked tirelessly alongside veterans and with the Department of Veterans' Affairs to advocate for the best possible outcomes for those he supported. His knowledge, patience and genuine commitment to helping others have made a lasting difference to many veterans and their families.

Terry's dedication over the past decade is a wonderful example of the difference one volunteer can make within our veteran community.

On behalf of the Bentleigh RSL Committee, Management, Veteran Services Department and the many veterans Terry has assisted over the years, we cannot thank Terry enough for his 10 years of service, commitment and friendship.

We wish Terry all the very best for his retirement and hope he enjoys a well-deserved rest after so many years of giving his time to others.

Thank you Terry, for everything you have done for our veteran community.

OUR WAY OF SAYING

At Bentleigh RSL, our members are at the heart of everything we do, and throughout 2026 we've loved giving back with an exciting range of exclusive promotions, special events and fantastic prizes.

The year got off to a sizzling start with our Summer Sizzler Australia Day Super Giveaway, followed by an incredible $8,000 Cash Giveaway across January and February. It was a fantastic way to kick off the year, with lucky Bentleigh RSL members sharing in thousands of dollars in cash prizes.

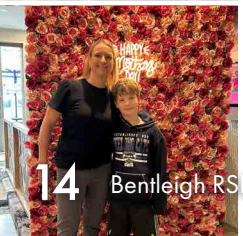

February brought the romance with our Love is in the Air Valentine's promotions, where members had the chance to win beautiful prizes perfect for celebrating the occasion.

In March, we embraced all things green with our St Patrick's Day celebrations, featuring delicious Irish-inspired food and drink specials that proved a hit with members and guests alike.

Easter was another highlight, with a spectacular collection of beautifully presented Easter Hampers finding new homes with many delighted members.

We also made sure our mums felt extra special in May, giving away stunning Mother's Day Hampers and premium Wine Packs as a small token of appreciation for the wonderful mothers in our community.

July saw us celebrate Christmas in July with festive giveaways that brought plenty of winter cheer and smiles to our lucky winners.

THANK YOU!

In August we celebrated A Month of CASH, with almost $6,000 being given away exclusively to Bentleigh RSL members. There has never been a better time to make sure your membership is current and enjoy all the benefits of belonging.

And the excitement certainly isn't over! These promotions are just some of the many ways we like to thank our loyal members for their ongoing support. Remember to keep an eye on our promotions throughout the year—there are always more exclusive giveaways, prizes and special offers just around the corner.

If you're visiting the Club, be sure to check the promotional displays, follow our announcements and enter whenever you can—you could be our next lucky winner!

Thank you for being a valued Bentleigh RSL member. We look forward to bringing you even more exciting promotions and exclusive rewards throughout the rest of the year!

VIETNAM VETERANS DAY 2026

On 18 August, we came together to honour Vietnam Veterans and recognise the courage, sacrifice and service of all those who served during the Vietnam War.

This year marks the 60th anniversary of the Battle of Long Tan, one of the most significant battles involving Australian troops during the Vietnam War. It is an important opportunity to reflect on the bravery and resilience shown by those who served, often under extremely difficult and dangerous conditions.

We pay tribute to our Vietnam veterans and acknowledge the sacrifices they made in service to our country. We also remember the families who supported them and the lasting impact of their service.

Today, we say thank you for your service, your courage and your sacrifice. We remember those who did not return home and honour all who have since passed.

Lest we forget.

FOOD & WINE PAIRING EVENTS CONTINUE TO DELIGHT

Our popular Food & Wine Pairing events continue to be a standout on the Bentleigh RSL calendar, with every event selling out well in advance.

In February, we welcomed Robert Oatley Wines for an evening of exceptional wines expertly matched with a delicious menu prepared by our talented team of chefs. More recently, in June, guests enjoyed another memorable night featuring the Giammarino Family Winery from the Yarra Valley.

On both occasions, attendees were treated to an entertaining evening of fine wine, exquisite food pairings, and fascinating stories shared by the people who know the wines best. The combination of outstanding local cuisine, premium wines, and engaging presentations has made these events a favourite among our members and guests.

With every Food & Wine Pairing event selling out, be sure to book early for our next event so you don't miss another unforgettable evening.

ANGLING SECTION REPORT

In the first half of 2026, the angling section has taken several charters with mixed success. Some of the trips produced large fish in good numbers, whereas other trips have been disappointing in fish size and catch size.

The highlight has been in March, over the labour day weekend, where members travelled to Lakes Entrance for our annual trip. We took a charter off ninety-mile beach, where once again we enjoyed another successful day on the water where several large snapper, gummy sharks and over 200 slimy mackerel were caught. Michael Heenan landed a trophy leading snapper of 5.3kg.

After a recess of a few months, we are already planning our spring/summer calendar. We have booked charters on Port Phillip and Westernport Bays, and the annual trip to Port Fairy to fish for sharks.

In November we will compete for the Bayside RSL and after last years close miss, we can hopefully bring the trophy back to Bentleigh.

If anyone would like to know about the Angling Section, please reach out.

Tight Lines,

Marty McCaffrey
President, Angling Section

DARTS

The Darts Club have had an interesting season so far.

The Bandits were unfortunate last season in having illness and injury impacting their ability to progress to the 1st division, this has resulted in them being relegated to 3rd division for this season at least.

Meanwhile the Blues were somewhat unlucky in 2nd division being defeated narrowly on multiple occasions resulting in relegation to join the bandits in 3rd division.

This rivalry will be an interesting test of two sides to say the least, on the other hand it will mean that there will be more home games played at the Bentleigh RSL amongst ourselves and visiting teams.

On behalf of both teams I wish to thank the staff for ensuring that the darts area is always set up on Wednesdays, this is most appreciated.

And as always if anyone wants to participate in the darts, they can contact me or approach us on a Wednesday night.

VETERAN & COMMUNITY SERVICES PROGRAMS

We are proud to offer a range of programs to all our

KEY SAFE PROGRAM

Bentleigh RSL offers key safe installation to qualifying veterans and affiliate members. The safe is installed and locked at the front of the home with a personalised PIN that will only be known by the member, next of kin, Ambulance, Police or Fire Brigade.

In the case of an emergency, the emergency services will obtain the key from the key safe to gain access to the home without them having to break in and cause damage to your property. The Key Safe can also be used if you accidentally lock yourself out of the house or a family member needs to access your home in an emergency. We ask that all emergency contact details be updated on the database every two years via the RSL.

The key safe remains the property of the RSL.

HOME MAINTENANCE

We are happy to offer minor handyman repairs and odd jobs around the home. If larger home maintenance is required we can help you source a local independent contractor for a quote.

TAXI VOUCHERS

We offer Taxi Vouchers to assist our Veterans and War Widows with transport to medical appointments when no other transport options are available.

If you hold a DVA Gold or White Card, you may also be eligible for no-cost transport to approved medical appointments through DVA.

For information about your eligibility, please contact DVA directly on 1800-550-455

SOCIAL GROUPS

We offer a range of social activities including Exercise Classes, Bingo, Coffee Club, Social Groups and Luncheons. These are held in a relaxed atmosphere designed to combat social isolation. Contact Veteran Services for further details of the programs.

LAWN MOWING

We are proud to offer lawn mowing services to veterans who may find it difficult to manage their lawns independently due to physical or financial challenges.

MEDICAL AIDS

We stock a variety of mobility aids available to try or borrow. We recommend consulting your doctor prior to using any mobility aids.

AGED CARE AND COMMUNITY VISITING

If you've recently been in hospital, moved into aged care, or are living on your own, we'd love to arrange a friendly visit from one of our community visitors or veteran support team. It's a great way to share some company, a chat, and a little extra support when you need it.

RSL FUNERAL RITUAL

In celebrating and giving thanks for the life of the deceased, a funeral service assists the bereaved in coping with grief. The RSL can conduct a funeral ritual segment for its veterans that highlights the services of the deceased to their country, both in conflict and in peace, so that the bereaved will be proud of the veteran's contribution and the RSL's acknowledgment of it.
